To the family I'm so sorry for your loss. Mr. Luis was one of our maintenance men at Doverbrook Apts in Easton. He was such a nice person. He always had a smile when you see him. I'm going to miss from seeing and talking to him. He will be missed dearly.

I only met and interacted with Luis a few times. I remember Luis, as a person that loved to be around family. It didn't matter if it was a distant family member or a brother in law, he was going to have your back. He was a true Yankees fan, loved everything Yankees and disliked The Boston Red Sox. I know he is in a better place now and he would forever be watching over his family. Familia First. Rest in Peace Brother.

Whenever I'd see or talk to Tio Luis he would always make sure to ask how I was doing, and if school was going well. He never once judged what I was studying, he was just glad that I was doing good. I hope he's doing good now and is resting easy.

Luis was my buddy. He was an Avenues Alumni and was very proud of his accomplishments. He loved his Yankees and loved bustin' my chop's because I loved the O's. He worked very hard over the last year to achieve so much, attended many alumni events to give back to others in our community. Luis made a huge lasting impact and will be greatly missed. Prayers to his beautiful momma and family. Luis loved you all so very much and talked about you constantly.

My Dear Luis, St. Michael's is never going be the same again, ever!! I see you everywhere I go down there! Never dreamed, 8:30 Wednesday morning, would be the last time I heard your voice. I so wish you had listened to me and let me take you to the Doctor as I begged so many times. We have lost a beautiful soul, whom had accomplished so very much, in your life. I will forever remember you and you will always be in my heart with me. God knows just how much I miss you! Rest In Peace, My Beautiful Friend, 🙏❤️🙏❤️🙏

I don't know what to say, the news of your passing broke my heart. You had the biggest heart, you always made sure you reached out to the ones you love, your laugh, your smile, your positivity, your energy, your entire you will be forever missed. I remember my high school prom, you were staying with us in the Bronx, I arrived home from prom super late late and you got up from the sofa bed, opened the door and immediately yelled, "Papi mira a que hora llega Belinda" I was so mad. But that's what big brother's do. Rest in peace Rubensito, I love you. For the family, my prayers are also with you.

This is crazy and I can't even believe I'm writing this. You always looked for me no matter what, your little sister. You always said we were the same, same complexion, same attitude and I always said nope, we're not the same and you'd laugh and say we sure are. I'm gonna miss my big brother, my biggest pain in the butt, but I loved you no matter what. You're with dad now, hug him tight for me. I'm not gonna say goodbye instead I'll just say, I'll see you again one day. May you sleep in heavenly peace I love you
