Mary Vaughan lit a candle in honor of Nancy.

I worked with Nancy at Baltimore FBI when I transferred from FBIHQ in 1968 - throughout the rest of her career, and as a fellow investigative assistant. We were an efficient crew of 5: Nancy, Mary Patterson, Jackie D. Sterling, Carolyn Faulkner and me (Mary). I enjoyed our telephone visits in the later years. May you rest in peace, dear friend. I will always remember Nancy. She worked with me at the Hospital Laboratory at Shore Health. Always had a smile on her face. I would see her and her niece in Easton running errands. Rest in peace Ms Nancy. You will always be remembered. ❤️ Love to you. Teresa (Pulley) Lewis
