# John Loren McCullough, Jr.

DEC 18, 1967 - AUG 29, 2024

John Loren McCullough Jr. was born to John McCullough Sr. and Nancy Hancock on December 18, 1967. John was hardworking, loving, and genuine. He was always quick to help those who needed him, and was never afraid to tell people what they needed to hear. He graduated cum laude with a business management degree from Methodist College as an NCAA champion in golf; later being inducted to the Methodist hall of fame. He went on to pursue a career in professional golf, including playing multiple international tours. During the Asian tour, he fell in love with the Philippines and chose to stay there and foster the budding national interest in the game he loved. He established a golf school and opened the doors for his junior golf students to pursue golf management through programs in the United States. He was married to Cally McCullough on July 8, 1995 and moved back to the United States shortly after the birth of his son, Shawn, in 1998. He ran his own general contracting business for over 15 years, but always made time for family and still loved coaching high school golf. He loved and served his church faithfully as a deacon. Fishing and hunting were also favorite hobbies of his since childhood, and he and his family loved the long RV road trips he orchestrated. He loved his family with all his heart and was a faithful friend, husband, and father till his last day. Above all, John was a man of faith. He loved his God and Savior, Jesus Christ, and built his life, character, and legacy in Jesus's name. He went to be with that Savior forever on August 29, 2024. He went home peacefully as his family sang songs of God's grace to him.

I am very sorry to hear of John's passing. I knew him from when we were in high school together. I would see him from time to time over the years at my kid's swim meets. He always had a kind word and genuinely took interest in others. He was always quick to lend a hand to anyone in need. He will be dearly missed. May he go with God to his Heavenly reward.

My thoughts and prayers are with John's family. I met John thru DE State HS Golf and we had a great time competing against each other. John was also a founding member of the board for the Delaware Interscholastic golf coaches association- which I had the privilege to serve on with him. He cared so deeply about golf in the State of DE, he was such a great golf coach and role model, he truly cared so much for his kids on his team – and loved and respected the game of golf and what it stood for. He won the NCAA Div III National Collegiate Golf Championship. I will always cherish our golf matches and conversations. Andy Barbin

John was so much a part of shaping Jay and I son Christophers character and walk with the Lord. Christopher loved John deeply. We will always remember his Love for Jesus and his family. Especially Cally, what a beautiful marriage you and John shared. You truly showed Gods love through your example. This world will never be the same without John but he left his mark and his Love for Christ on us all. Until we met again my friend and brother in Christ you will be thought of often. One of my earliest memories of John, was watching him serve our school families at the Delmarva Christian High School Welcome back to school BBQ. I remember thinking he was a giant teddy bear, so full of joy. He was so welcoming and loving to everyone, including me that day... as a newer member of the school community. There was sweetness about John, always, as he purposed to live his life according to how Jesus lived. He was one of the most Christ-like men I've ever known, a God fearing husband, father, and friend. His children are the proof of how much he loved his savior as he shared his faith and the love of Christ with them, and they now share with others. Cally was quick to "praise John at the city gates" as I like to say, always speaking highly of him. Her love for him was always on her lips. My deepest condolences for the entire family as they navigate life on earth without him. But I know they will continue to focus on eternal things and have joy knowing they will be reunited with him in heaven again. Sincerely, Wendy Kwiatkowski

God made my life RICH by giving me a brother by the name of Johnny Mac. Sure, we had different mothers, but we both have the same Heavenly Father. I've been your client, employee, & your leasor AND was pleased when our business was concluded. Moreover, John, you are my real Jesus brother. When the world dealt me a particularly bad hand, you were an encourager in the Lord. You were familiar with adversity and you knew how to bring comfort through difficult times. You drew your direction from God's word. So, scripture was the source of your sage advice. Some of my best memories have to do with family & faith related activities. You, Tim, & I participated in a IX Mark's training at Capitol Hill Bapt. Church. That was such an outstanding time! Love you, brudder. It will not be long, then we will again be face to face. In Christ, John B.

I can't say enough good things about John and Cally. My heart goes out to you all. When I think of John I think of what a good dad, husband and person he was. You can tell just by how special his family is and how they all love the Lord. That says it all. Just the love of God always exuded from him. One thing that still makes me smile is when John rented a convertible mustang for Taylor and Drew to go to a formal (as friends). But how fun he was and what he did for his kids. He will always be with you all. Thinking of you all.

I spent many happy times with them in their home John would come help my ex husband Tom whenever he needed some help with the house. My heart goes out to the entire family. My husband and I first heard about John in the Philippines as being a professional golfer who keeps on talking about Jesus Christ. That sparked our interest to meet him. After our first dinner in the house, he never felt. Became a member in the local Church, married our youngest sister, Cally. He is so much loved by the Martinez's family and he so loved us all until his last breath. Our dearest Johnny Lapyo, I will give you the biggest hug when I see you again.

John will be dearly missed ... a lovable man with a heart of gold ... we became fast friends when first we met at a church service... the brotherly love he had shown to myself and my family was the agape love Christ spoke of ... his nickname was Duckman for he loved Duck hunting ... he called me Gooseman for my love of Goose hunting we combined them both on those cold mornings in a goose/duck blind and loved every minute of it ... I watched him as he molded his children to the godly young men and women they are today .. yet JChrist through John teaching them Gods Word molded and shaped them ... " Raise up a Child in the way he should go " John was faithful in this and left behind a wonderful legacy... til we meet in the heavenly realm .. fly high Duckman ... Christ is with you now ... Faith has become sight !!
