With deepest sympathy. I first met Ms. Sandy, who I called Ms Pizzazz, in 1999. I was employed by a local law firm in Easton. As soon as I would see her car pull in the parking lot I'd get excited. I knew she was bringing lunch/treats and loads of hugs/laughter. It was also time to shut the office down for a couple hours while the boss was away 😊. Her laughter was contagious. After leaving the law firm I thought of Ms Pizzazz often (she definitely fit that title). I was in Dollar Tree and heard this familiar voice, it was Ms Sandy. I hollered out loud not realizing I was in the store Ms Pizzazz! She immediately looks up and belted out that contagious laugh. We stood in the aisle for at least an hour. The customers literally had to go around us. 😊 Thank you Ms Sandy for the memories! Family, please know that you are in my thoughts and prayers. I pray that God gives you all peace, comfort and strength during this time and always. ♥
