I remember the time i went to Mackinac City & Island in Michigan. We stopped in Wheeling West Virginia first for Pop and his MAPS reunion. Then we went to the Harley Davidson Museum in Wisconsin, to polish my grandfather's button he has over there. Museum was very spacious and I stole a glass from the restaurant next door 😞 Then we finally stopped in Mackinac City for Pasties and checked out the views, the bridge, and the Fort over there. The island had its own ambulance, police, and fire vehicles for a little island it was! I had such a great time, we took many pictures and enjoyed ourselves. I will forever hold these memories with me. And I will forever miss my grandfather. Say hi to uncle Ted and Big Pop and Babush for me 😞🙏
