My sympathy to Nancy and family. We have known them for many years. My late husband sang with them at several nursing homes which brought happiness and The Lord's Word to many. He will be remembered for being close to God and also for spreading The Word. When we got together socially a good time was had by all. With Nancy's good cooking and everyone trying to beat Bob at Domino's it was a fun time. He will be missed by all. Jo Shinholt

I will love and miss my father the rest of my days. I am so thankful for all the years I had him, his love and affection, and all he taught me. His example of faith has been my guide, his laughter and song has been my delight. His protection and support kept me safe. How truly blessed I was to be his firstborn child. My Dad is now with Jesus, after a full, good life and I'm sure the Lord has greeted him with "Well done, my good and faithful servant, I'm so glad you're here now, Bob!" He knew a peace that is undescrivable because he believed in our Savior and a life everlasting after his days on earth or over. I will praise God, sing songs, continue to share my faith, the way he showed me, until I see him again one sweet day. Love always and forever.
