“ I'm truly sorry to read about the loss of your loved one. God is a God of comfort and I pray that he will comfort your Family at this difficult time (2Corinthians 1:3,4). In due time God will swallow up death forever (Isaiah 25:8 , 1 Corinthians 15:26). Imagine the time when there's no more sick,pain or death and the earth being restore to a Paradise (Revelation 21:4). May you find comfort in the promises that God has made. Please accept my condolences.

“ I met Cindy in the course of my place of employment conducting business with hers. She always managed to find a way to give me a smile even when she wasn't having the best of days. She always treated me with warmth and sincerity. I would like her family to know that she cherished them above all others, and that I'm so sorry she was to leave us too soon. May the Lord provide you comfort, and please know she will be remembered with great affection. Most sincerely, Jake Haniffee
