“ I had the privilege of being born and raised as a child, at Arthurseat Mission Station in the Eastern Transvaal, (Mapumalanga Province) in South Africa. This is where Rose came to serve when she first came to Africa and joined our missionary family. Rose was really a quiet participant but she had an infectious laugh that endeared her to us. Truly a 'family mentor' to me as an MK that has lasted a life-time. I am so saddened to hear of her home-going, but cherish all the memories and have no doubt of heaven's rejoicing as another fine warrior of the Cross comes home. We loved Rose dearly!
